Dont know about your timing, but I did tell Darlene that we are going to cover WOTUS/Pebble at 2:30 this Friday in Reno (see agenda link) and EPA would be welcome to join us there. Just wanted to repeat the offer. This is one of our more well attended regional meetings.

After the Reno meeting we have 4 more regional meetings and the 2 Trustees meetings that Chris mentioned.

Subject: TU 2014 Upcoming Western Regional Meeting

Dear western regional meeting registrants,

We are a week away from the upcoming regional meeting in Reno, NV. Id like to make sure that you have all seen the updated agenda for Friday and Saturday, which has been posted online. In addition, we have posted online the agenda for the Sunday session on women in TU.

We will be meeting at the Atlantis Resort on 3800 S Virginia St, Reno, NV 89502. To book your hotel room there, call 800.723.6500. The Atlantis runs a free hotel shuttle to/from the Reno airport every 30 minutes.

If you checked the box on the registration for the fishing option, you will be contacted separately in the coming days by local volunteers with more details. They have really lined up some great options. If you would like to buy your Nevada fishing license online, visit the NDOW site. Please note; however, that there is a separate permit required for Pyramid lake.

Currently the long-term forecast is calling for sunshine and a high in the 50s and a low in the 30s. Although rain *unfortunately* seems quite unlikely, its probably smart to plan for some inclement and cold weather nonetheless. Our barbecue on Friday evening is both indoor and outdoor. The local chapters (607 Sagebrush, 103 Truckee River, and 905 Feather River) and the California council have really gone above and beyond to make this meeting extra fun. From the barbecue to the Fly Fishing Film Tour to the fishingget excited!

If you have any questions of me, please dont hesitate to reach out. I look forward to seeing you all in Reno shortly. Safe travels.

Best,

Beverly
